

# KYA NEWS

A publication of  
Khmer Youth Association  
Issue #6, English Version  
Friday, April 18, 2014

Dear Cambodian Youth,  
We hope everyone had a happy, healthy, and safe Khmer New Year!

We are proud to present the sixth issue of our fortnightly newsletter for 2014. The aim of *KYA News* is to connect with you as our members and update you on any KYA news, activities, information, events and opportunities for young people.

THANK YOU for supporting KYA!  
Best wishes and happy reading ☺

## EVENTS

### E.U. on a Bicycle: Green is Beautiful

KYA, in partnership with the European Union, will host a bicycle tour in Phnom Penh on May 4, 2014 from 7-10am. KYA hosted the same tour last year with over 600 participants, and we are excited to have even more this year! The tour will promote environmental awareness among participants. Anyone is welcome to join.

### Healthier Life Choices Among Adolescents Training

Training about promoting healthy life choices open to CYN members in Srey Snom Commune in Siem Reap Province. April 21-22, 8am-5pm. Funded by PLAN International.

### Annual Reflection Workshops

Annual Reflection Workshop about KYA's safe labor migration activities. This is a closed event for government stakeholders, commune leaders, donors, and KYA staff. Prey Veng Province, place TBD. April 29, 9am-4pm. A second workshop will take place in Siem Reap Province, place TBD. May 8, 9am-4pm.

Funded by The Asia Foundation.

## GET INVOLVED

If you want to be part of one of KYA's Community-based Youth Networks (CYNs) or start a new one in your community, please contact us: [admin@kya-cambodia.org](mailto:admin@kya-cambodia.org)

We value your opinion. For comments or to stop receiving our newsletter, please contact [carolyn.balk@kya-cambodia.org](mailto:carolyn.balk@kya-cambodia.org)

**Next time:** Our next newsletter will feature a female empowerment case study and an article about mosquito-borne illnesses.

## Climate Change and Global Warming: What can you do?

Earth Day is just around the corner on Tuesday, April 22. "Global Warming" and "Climate Change" are two terms used a lot as more and more people become aware of the environmental destruction around them. But what do they actually mean? To what are they referring? What can we do? To learn more, [click here](#).

## Sexual Reproductive Health: Youth Living with HIV/AIDS

UNESCO and UNICEF have recently released the report "Lost in Transitions" about adolescents and youth, from 10 to 24 years old, in the Asia Pacific region living with HIV and the challenges they face on a daily basis. To learn more about the unique set of challenges faced by youth born with or who acquire HIV at a young age, the report's recommendations, and how KYA is helping HIV/AIDS education, [click here](#).
